Know the rules

- When students receive their laptop, they are personally responsible for the care and use of the laptop in line with the Laptop Charter.

Graduate Year 12 and students get to own the laptop.
The Charter is a legal document:
Please carefully read this charter before signing it. Any questions should be addressed to the school and clarification obtained before the charter is signed.

Liability for the cost of repairs
In signing this Charter you need to understand that you become liable for the cost of repairs to a laptop, if the damage is not covered by warranty.

In general terms, non-warranty repair is approximately $250 each time a laptop is sent away.
Responsible behaviour

- Bring laptops charged to school every day
  - for learning individually and in groups

Do not download games or videos not required for learning
